PROFESSIONAL EXPERIENCE

Cuppa AI (cuppa.ai)

Software Engineer

United States (Remote)

Aug 2023 – Jan 2026

- Built and scaled a production SaaS platform serving 10k+ users with 99.9% uptime.
- Developed applications using Next.js and TypeScript with focus on performance and reliability.
- Integrated LLMs (OpenAI, Anthropic, Gemini) as the core product engine, enabling automated content creation and reducing manual effort by ~40%.
- Worked with PostgreSQL, AWS, GCP, Cloudflare, Vercel and Inngest for data handling and automation.
- Took ownership of features from idea to production.

Subharti Infotech

Junior Software Developer

Meerut, India

Oct 2022 – Aug 2023

- Built and maintained mobile and web applications used by students and staff.
- Developed features for attendance, payments, learning systems, and internal tools.
- Worked closely with non-technical teams to turn requirements into working software.
- Improved system stability and user experience through regular testing and updates.

EDUCATION

Chandigarh University

Master of Computer Application

Mohali, Punjab

Jan 2025 - Jan 2027 (Expected)

Swami Vivekanand Subharti University

Bachelor of Computer Application

Meerut, Uttar Pradesh

Aug 2021 - Aug 2024
